MEMORANDUM FOR: Director, Office of External Affairs
VIA: Deputy Director, Office of External Affairs
FROM: C/LLD
SUBJECT: Rescheduling of HPSCI Budget Review

HPSCI staffer Jim Bush informed John McMahon on 17 February that the Senate Armed Services Committee has taken measures recently to accelerate FY83 Budget consideration. In order to meet updated review requirements, HPSCI was obliged to move up its schedule for reviewing CIA budget proposals. According to Jim Bush, the review of Covert Action budget proposals by HPSCI has thus been changed from its previous date of 20 April and will now be held, as an extension of the CIAP review, on 22 March. HPSCI realizes this causes a crowded schedule for that date and some subsequent adjustment may be necessary.
